The “group” option is specially made for companies so they can have several employees study at the same time. Within a company account you can keep track of your employees their progress.

Once you selected the group option,

- You can choose to “enroll” yourself and take place in this course. You will become group leader and group member. If you don’t select this you will become the group leader, and won’t participate in this course.
- you can choose the number of employees you want to register.
- You can register your company name. This will become the “group name”.
